#### **SSANGYONG SHOWS NEW KORANDO FOR 2017 AT GENEVA**

- **A fresh new-look for the Korando SUV**
- **Spacious family accommodation and a great off-road performance**
- **Distinctive grille and headlight treatment adopt the new SsangYong 'look'**
- **Front and rear cameras for improved safety**

The Korando SUV has been greatly enhanced for 2017 with a stylish new design, enhanced equipment and additional safety features.

The car sports a new-look front aspect, which has been redesigned to maximise the car's robust character with a distinctive new grill and headlight treatment, while safety has also been improved with the addition of a front view camera - a first in this class of SUV.

European sales are set to commence from the second quarter of the year.

The new Korando SUV is designed for young families seeking an active lifestyle, and will appeal to those requiring a car that can handle the rough and tumble of family life – plenty of interior space for growing children and a generous boot space for all their leisure equipment.

The overall design of the new Korando is one of a tough, masculine looking SUV with new contemporary styling to give the car a confident, elevated and distinctive appearance on or off the road.

The new front design creates a robust and powerful look, the slim wide shoulder wing grille stretching out and connecting to the new style headlights with a harmonious and pleasing line. Daytime running lights using 11 high-luminescent LED lamps with separate lenses make a premium statement while also upgrading visibility, and help to complete the new SsangYong signature image.

At the rear, the design is further enhanced by highlighting the rear bumper with a two-tone treatment and dual tailpipes to create a more rugged off-road and sporty image.

The new 18" diamond-cut wheels complete the stylish look, and blend well with the contrasting dark side trim.

The interior space is also enhanced for 2017, the driver benefitting from the added convenience of a new steering wheel. Ergonomically designed, this feels especially comfortable in the hand, and adds easy to operate controls for the audio system and cruise control.

Furthermore, a new super-vision instrument cluster allows the driver to change the colour of the instruments according to preference with a choice of six colour options. The dashboard is also given a more luxury and sporting feel, with new harmonized materials and chrome accents, as well as a geometric grain pattern for the dash and a carbon pattern for the door trim.

The new car gets both front and rear view safety cameras for greatly enhanced safety, allowing the driver to monitor blind spots around the vehicle when parking or moving at low speed.

There is the choice between a 7" colour display offering a mirroring function to connect between a smart phone or an HDMI cable, and TomTom 7" navigation: both support the video camera displays, Bluetooth hands-free and iPod connectivity.

Interior space is amongst the largest in its class, and in addition to offering comfortable seating for up to five adults, features a completely flat floor for second row passengers, as well as reclining and heated second row seats for rest and comfort, even on a long distance. The seats also split asymmetrically 60/40 and fold flat for load and passenger carrying flexibility.

The new Korando is powered by a choice of a turbo-charged, Euro 6 compliant 2.2 litre diesel or 2.0 litre petrol engine (according to market), and is matched with either a 6-speed manual or optional 6-speed Aisin automatic transmission for smooth, dynamic gear changing, comfortable driving and lively acceleration. The car also comes with either front wheel-drive, or a smart, on-demand all-wheel drive system, making it the ultimate leisure vehicle.

## **■ EQUIPMENT**

### **Mechanical**

- 178ps 2.2-litre e-XDi220 diesel engine with CDPF
- 149ps 2.0-litre e-XGi200 petrol engine
- Active AWD with lock mode
- 6-speed manual transmission with gear shift indicator
- 6-speed automatic transmission with tip switch manual mode
- Macpherson strut front suspension
- Multi-link rear suspension
- Electric power steering (EPS)
- Voltage stabilizer
- Electric Energy Management (EEM) available with diesel 2WD manual transmission

### **Seats**

- 6-way power driver's seat
- Pumping height adjustable driver's seat
- 60:40 split folding 2nd-row seats with folding centre armrest
- Luxurious leather seat upholstery for both class and comfort
- Red-coloured leather seat upholstery
- Appealing woven cloth seat upholstery
- Ventilated driver's seat
- Heated front and 2nd row seats

### **Climate Control**

- Fully automatic air conditioning with temperature sensor and digital display
- Manual air conditioning with maximum air conditioning function
- Rear heating duct to enhance climate control effectiveness
- Positive Temperature Co-efficient (PTC) heater with diesel engine

### **Appearance**

- New designed chrome and black colour coated radiator grille
- All-around tinted glass
- Solar controlled glasses in windshield and front door windows
- Privacy glasses in rear door windows and tailgate window to keep interior cool and add the look of luxury
- Fashionable roof rails
- Sporty air spoiler with LED high mounted stop lamp
- Acoustic engine cover to dampen noise
- 18" alloy wheels with 225/55 silica tyres - diamond cut
- 17" alloy wheels with 225/60 silica tyres
- 16" alloy wheels with 215/65 silica tyres
- Tyre repair kit
- 155/90R16-temporary spare tyre
- Illuminated ignition key slot

- Luxurious leather steering wheel trim
- Urethane steering wheel trim
- High glossy grain on instrument panel with black interior colour / beige interior colour
- Metal grain on instrument panel with red interior colour
- Floor mats
- Welcoming light to illuminate the ground area
- Level adjustable projection headlights with turn signal lamp
- Level adjustable 25-watt HID headlights
- LED daytime running light system
- Rear combination lamp with LED light guide
- Two-toned lower mouldings
- Chrome plated dual tail pipe
- Body coloured exterior door handles
- Deluxe centre console
- Hybrid blade wipers
- Chrome inside door handle
- Stainless steel front & rear door scuff
- Deluxe chrome speaker grille

### **Convenience**

- Super vision instrument cluster with a choice of six colour options
- LED side repeater on exterior mirror
- Battery saver to ensure power reserve
- Electronic ECO cruise control on steering wheel
- 2-din audio system with MP3, CD player and iPod / iPhone connector (with RDS)
- 7" high-resolution touch screen with audio streaming and link to rear view camera and smart phone
- TomTom 7" navigation system with link to rear view camera and smart phone
- USB memory slot, Aux. Port and HDMI port
- Bluetooth hands-free
- Pole antenna on the rear roof
- Windshield wiper de-icer
- Rain sensing wiper and auto light control system
- One-touch triple signal indicators
- Heated tailgate window with timer to defrost before vehicle starting
- Safety power sunroof that slides or tilts, with roof blind to keep the interior cool
- Safety power window
- Dual folding key type remote keyless entry system with panic alarm
- Dual smart key with electronic steering column lock
- Six speakers including 2 tweeters for high level sound
- Steering wheel audio system controls
- Dual spray type washer nozzles
- Trip computer with outside temperature indicator

- 12V DC power outlets under the instrument panel (deluxe console) and in the load area
- Outside mirrors that can be electrically adjusted, folded and heated
- Mobile ashtray
- Digital clock
- Dual gas filled tailgate struts
- Centre storage console
- Grip on the inside of the tailgate to facilitate closing
- Cup holders in the front and rear
- Sun visors with illuminated vanity mirror
- Luggage cover and net
- Useful toolbox in the load area
- Electronic tailgate open / release switch
- Manual tilt and telescopic steering wheel
- Heated steering wheel
- Luggage tray

### **Safety**

- High integrated semi frame monocoque body structure
- Door impact beams for optimal protection from side collisions
- Driver airbag and invisible passenger airbag with seatbelt load limiters and pretensioner
- Curtain airbags for front and rear passengers
- Side airbags for front passengers
- Active headrest for front passengers
- Passenger's airbag On / Off switch
- Front parking aid system(PAS) with 2-stage alarm
- Rear parking aid system(PAS) with 3-stage alarm
- 4-channel anti-lock braking system (ABS)
- Electronic stability program (ESP) with emergency brake assist, hill start assist (HSA) and active roll-over protection (ARP)
- Emergency Stop Signal (ESS)
- Front ventilated disc brakes
- Rear disc brakes
- Door courtesy lamps
- Heightened security from an immobilizer system
- Intermittent rear wiper and washer
- Hand-operated parking brake
- Childproof safety lock
- Automatic speed-sensing door locks
- Reminder alarm and speed-sensing feature for front passenger seatbelts
- Built-in 3-points rear centre seatbelt
- ISO-Fix and tether anchorage for child seat
- Electrochromatic inside rearview mirror
- Tyre pressure monitoring system (TPMS)
